## Volunteer Policy

We very strongly believe that Liberty Youth Academy is supposed to be a community of families that come together to create the best possible learning environment for our dear children. We are so grateful for all that you will do to help make Liberty Youth Academy a great place for all our children to learn.

Given the unique situation we have here and our consistent dependence on parent volunteers for things like park recess days, the following policy formalizes a parent volunteer hours requirement that we hope will share the load fairly and simplify planning and coordination.

### Policy:

Each family who enrolls is committing to providing a minimum of 1.5 hours per week of volunteer time either in the classroom or driving to the park. If you would like to help more, we always love having parents in the classroom and welcome your attendance any time!

- The majority of the help needed will be driving to the park (11:15 AM - 12:45 PM).
- On Back-To-School Night, we will pass around a signup sheet for the volunteer slots needed. The slot you sign up for will be your weekly assignment for the first half of the school year.
- During the Christmas break, we will send an electronic signup for the second half of the year to change things up.
- We will make the schedule available to everyone. If you are unable to fulfill your assignment for whatever reason, you are responsible for arranging in advance to trade with another parent. Once you have coordinated the trade, you will need to notify Bonnie Hayes of the change.
- Each missed assignment for which you do not arrange for a trade with another parent will be subject to a fee of \$35.
